ABANDONED, BUT NOT FORGOTTEN

No three humans could have felt more forgotten than Shadrach, Meshach, and Abednego when thrown in the furnace for refusing to bow down and worship a golden image. Where was God? He was in the furnace with them protecting them from the flames. Being a Christian does not mean an easy life, but it does mean you will not be alone. Jesus Christ will never leave you or forsake you. —Susan Bissette
