## **A Light for Your Path**

**WEEK 2018 OCTOBER 8-OCTOBER 14**

*For every house is built by someone, but the  
builder of all things is God.  
—Hebrews 3:4*

### **THERE'S NO PLACE LIKE HOME!**

**In the wake of Hurricane Florence, home has a different meaning! During the time before hurricane Florence, forecasters were painting a very distressing portrait of a killer storm. I began to pray for the millions of people in the path. I also prayed our home would not have a tree on it. My prayers for our house were answered, but many people have lost their homes. I am praying for all losses great and small. Atypical and rare storms call us to pay more attention to God. We must listen to God and know he will be with us during these difficult times!**
