## THANK YOU, LORD, FOR...!

Take a moment to sit quietly and think about the blessings that God provides for us each and every day...our families, friends, homes, the food on our tables, this wonderful country where we can read our Bibles and worship God in the church of our own choosing. There are so many blessings that they are too numerous to count (no limits, overflowing). Isn't that what Jesus wants for us, to 'have life, and have it abundantly' (John 10:10)

Bethany's stewardship theme for this year is "Blessed to be a Blessing". We have been blessed and through our blessings we have the opportunity to bless others. I firmly believe that God's blessings are meant to be shared and by sharing we are giving thanks. Thanks be to God!
